AMENDMENT TO OFFICE ACTION DATED OCTOBER 23, 2000

In response to the Office Action dated October 23, 2001, please enter and consider the following amendments and remarks:

IN THE CLAIMS:

Please cancel claims 5-6 without prejudice.

Please replace claim 1 with the following in accordance with 37 CFR 1.121. The changes are shown explicitly in the attached "Version with Markings to Show Changes Made".

1. (Amended) A collapsible structure, comprising:

a single first base panel having a foldable frame member that has a folded and an unfolded orientation, and a material partially covering the frame member when the frame member is in the unfolded orientation, with the material assuming the unfolded orientation of its associated frame member, the first panel having an outer periphery;

a single second upper panel having a foldable frame member that has a folded and an unfolded orientation, and a material partially covering the frame member when the frame member is in the unfolded orientation, with the material assuming the unfolded orientation of its associated frame member, the second panel having opposing first and second end edges;
